Charlie Waite is widely recognised as Britain's foremost Landscape Photographer. His photographic style is often considered to be unique, in that his photographs convey an almost spiritual quality of serenity and calm. He is a true master of the art.

'Behind The Photograph' is a stunning presentation of Charlie's work, with background detail and anecdotes about how the shots were achieved. With over 30 books to his name, and regular contributions to photographic magazines and on TV, Charlie's distinctive images have received wide critical acclaim. He was also responsible for founding UK Landscape Photographer of the Year which is now in its 12th year

This is a lecture not to be missed ! **Charlie's website:** <http://www.charliewaite.com/>

Tickets can be obtained from the Box Office at Sale Waterside Theatre, £10.00.
