**Present : "Danny Green"**

**Internationally Acclaimed Natural History Photographer**

**Thursday 11<sup>th</sup> January 2017 8.00pm**

**"The Long Journey North"**

**Venue : St Mary's Church Centre, Moss Lane, Sale  
Cheshire M33 6GD**

Running the **Natures Images Photographic Holidays Company** with his partner **Mark Sisson**, has allowed Danny to travel the world capturing breathtaking images of all manner of wildlife. His winning images feature frequently in the BBC Wildlife Magazine, the RSPB's Natures Home Magazine, and Outdoor Photography Magazine and in 2014 he had his first full feature published in National Geographic Magazine.

Although specialising in all types of Wildlife Photography, Danny has recently concentrated his efforts in the Boreal Forest - or "Snow Forest" - regions of the world, and his stunning talk will focus on the wildlife that makes its home in these exceptionally inhospitable regions of the planet. Add to this his personal anecdotes from his many journeys into these regions, and you will see that :

**This is a lecture not to be missed!**
