Internationally Acclaimed Natural History Photographers

Thursday 21st January 2016

“Just Two Clicks”

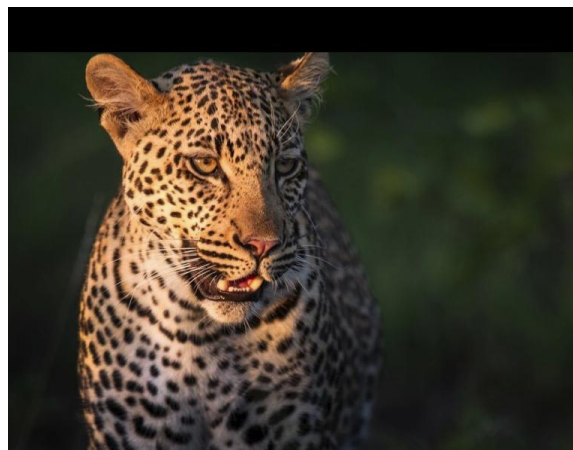

Venue : St Ann’s Church Centre, Trinity Road, Sale Cheshire M33 3GD

Tony & Carol Dilger are a husband-and-wife team of freelance wildlife photographers, based in the scenic Yorkshire Dales. Their passion for photography is fired by an insatiable fascination with the natural world and a background that includes climbing, caving and mountaineering. Their photography extends and reflects this relationship, and this quest has taken them far and wide: From their native Dales, to Scotland, to Europe and Africa in search of nature at its most elusive, exquisite or simply spectacular.

Just Two Clicks is Multimedia presentation telling the story behind their current exhibition with images from the heat of the Kalahari to the chill of the Scottish Winter
