Sarah's interest in photography grew from a desire to record the way light transforms a scene and to share those fleeting and unique moments. She lives in North Wales, so has the whole of the Snowdonia area at her feet, in addition to travelling to unusual places both in this country and throughout the world. Over the last few years her photographs have been used in a wide range of publications including Amateur Photography, and she was Winner of the ‘Seascape Category’ in ‘Scottish Landscape Photographer of the Year 2016.

[From Sea to Summit](#) is an magical encounter with images from the UK and around the world, and her uniquely creative approach to capturing images leaves a lasting impression,
